

130th Glasgow Company, The Boys' Brigade

Company Section
March 2008

The last few weeks has been a busy time for the Company Section, and the packed schedule is set to continue as we head towards Easter and beyond.

Thanks go first of all to everyone who attended Sunday's church parade which the Company has been working towards recently. Last week also saw the Company taking part in Partick District's ten-pin bowling competition at Springfield Quay.

Just before that, there was another important night for the Company when we invited a large number of senior boys from the Junior Section to share in our normal activities.

These boys are all due to be promoted to the Company Section at the end of this session, and the evening proved to be an enjoyable and useful exercise for everyone.

This coming week, the Company Section will be taking part in the District Drill Competition, and a series of other competitions are due to be held in the near future including badminton, table tennis and a five-a-side football.

The Company was also delighted with the publication of a 24-page supplement on The Boys' Brigade in the Evening Times to mark our 125th anniversary. A picture of the boys and staff of the 130th taken a few weeks ago was included in the supplement.
